3:00 pm to 5:00 pm

Solving Your Dog's Behavior Problems

Barking!
CHEWING!
Stealing!
Pulling on leash!
DIGGING!
Running away!
HELP!

Join us for a discussion on common behavior problems and their solutions, including: Chewing, barking, digging, stealing, nipping, mouthing, jumping up, running away, separation anxiety, crate training, housebreaking and lots more!

This workshop will be led by Family Dog Training Center president & training director, Kathy Lang and her staff of senior instructors. There will be time allowed throughout the workshop for questions from the audience.

Due to the lecture and demonstration format of this workshop it is recommended that you attend without a dog. If your dog does attend, it must be non-aggressive, on leash and under control at all times. No retractable leashes, please. Unruly dogs will be asked to wait in the car.

Well-mannered children are welcome but must be supervised by a parent or guardian at all times. Please arrive a few minutes early to sign in and get settled so the workshops may start on time. This workshop will be held in Ring #1 at Family Dog Training Center.

*** We provide these workshops as a community service and welcome donations of canned or dry dog food for the Kent Animal Shelter. ***

Pre-registration is required

Visit **www.FamilyDogOnline.com** select **FDTC EVENTS** to register
Or contact Office@familydogonline.com or 253-854-9663
and let us know how many will be attending with you.

Driving directions are available on our web site under INFORMATION
