*** Your Family Dog Can Do It All! ***

We have classes for dogs of all ages, types, sizes, breeds and personalities. Puppy Manners, Beginning & Advanced Home Obedience classes teach manners, obedience and off-leash control. Graduates can earn the Canine Good Citizen Title.

Students who get "hooked" on training join our special interest classes such as Therapy, Agility, Rally Obedience, Tricks, Games, Conformation, Competition Obedience, Nosework...and more!

We have been training dogs and teaching people for more than 30 years through our classes and private lessons. We help solve common behavior problems such as chewing, barking, digging, jumping up, running away, not coming when called, stealing, mouthing, housebreaking and more. We can also help with temperament issues ranging from fear and shyness to dominance and aggression.
